Jennifer and Aaron – please see the attached pilot study report.

Kathleen – We can work off the electronic copies for now and you can send the paper copies later when EPA and Wood offices are open again. Now you have Jennifer's email address. Also please copy Aaron King on all pilot study correspondence (electronically, no hard copy).

Subject: Container Properties/Former Rhone Poulenc--Carbon Dioxide Pilot Study

Greetings Janette--

Please find attached the PDF of the Carbon Dioxide Pilot Study report for the Container Properties/Former Rhone-Poulenc site. Three hard copies will be mailed to you, Mr. Thomas and Ms. MacDonald when possible during this COVID-19 lockdown, although if you don't need those hard copies, also let us know.

Please forward this email to Ms. MacDonald, if you would be so kind, as I do not yet have her email address.

The copyright and non-disclosure paragraph has been modified per our discussions over the past couple weeks with a partial sentence added to allow EPA to upload it to the Site's electronic dataroom. Please let me know if this works for you and we'll keep using it. If not, we can discuss it further.

We hope you have a safe and healthy weekend,

Many thanks,

Kathleen
